YOUTH MUST DIE FOR HIS CRIME

Alone in America, but in Jury Quickly Finds Nineteen-Year-Old Albert Wolter Guilty of Murder.

> ASSAULTED YOUNG GIRL AND BURNED THE BODY

Will Rest Beside Those of Defendant Shows No Signs of Feeling When Verdict Is Announced.

> NEW YORK, April 22.-Albert Wolter, a youth of 19 years, who gloated over lewd pictures and was "crazy" about women, must die in the electric chair for the murder of Ruth Wheeler, a pretty 15-year-old stenographer.

After one hour and fifty minutes of deliberation, a jury in the court of special sessions found him guilty of murder in the first degree at 19:30 o'clock tonight. bringing to a close a trial marked by its swift movement and its testimony of

The boy's counsel said with eloquence that Wolter was too tender hearted to harm a cat, but twelve men decided tonight that he had stranged Ruth Wheeler and thrust her, while yet alive, in his fireplace, where, soaked with oil, her crumpled body writhed and burned.

Absolutely Indifferent.

With the same waxen-faced indifference he had shown throughout the trial, Wol-ter listened to the verdict. With almost inhuman complacency he had been found asleep in his cell while the jury was de-liberating. He will be sentenced Wed-nesday.

nesday.

The jurors themselves showed emotion, while the boy who must die showed none. When asked if they had found a verdict. William V. Kulp. the foreman, answered in a shaking voice, "We have," and announced they had found Wolter guilty of murder in the first degree. All eyes immediately shifted towards the prisoner. He was stolld as a piece of stone.

room. "Circumstantial evidence is very dan-gerous evidence upon which to convict, said Attorney Scott. "Instances have occurred where men have been mistak-enly convicted. This boy has not nerve enough to kill a cat let alone a human below."

being."
"He is not a great criminal," said Assistant District Attorney Moss, "he is a dangerous criminal—a perverted character and a scourage to the community.

Evidence Conclusive.

"There is no unexplainable circum-tance here. There never was a case in which every circumstance was so dealers."

aight."

t was exactly 7:10 when Judge Fos-ended his charge and the jury filed.

The crowd today was the largest in ortiminal court building since Harry

Ruth Wheeler was killed March Ruth Wheeler was killed March 24. Failing to dispose of her body in the fireplace. Wolter cut it apart and left the bust and head wrapped in buriap on a fire escape, whence it was pushed into the yard below. He was arrested March 26 and placed on trial Monday last. He denied knowing Ruth Wheeler, but testimony showed she had been sent to his rooms, expecting to obtain work as a stenographer.

CAL BROUGHER LEAVES BELMONT DIRECTORATE

special to The Tribune.

Special to The Tribune.

PHILADELPHIA April 22.—Cal Brougher has tendered his resignation as ies a director of the Tonopah Belmont Denat telopment company. Mr. Brougher sent as a letter to Mr. Heller, resigning from the red directorate of the Goldfield Belmont company and the Tonopah-Butte Development company also.

When interviewed today on this action. Mr. Brougher sald: "In the face of strong protest on the part of several Philadelphia stockholders of the Tonopah Belmont Development company I tendered my resignation as a director of the company. If the Tonopah Belmont Development company is tendered my resignation as a director of the company. If the Tonopah Belmont stockholders are satisfied with the present management, no efforts of mine will avail towards changing conditions.

Thave not sold a share of stock, nor do I intend to. I consider the new ore body of the Tonopah Belmont company one of the greatest and one of the richest ledges discovered in the state of Nevada since the Comstock days. I am using all my influence and energy to see that some representative Tonopah man is elected to the board.

A ten per cent dividend is the expectation of the stockholders. or of is elected to the board"
first A ten per cent dividend is the expectabest tion of the stockholders.

WOMAN'S DEATH DUE TO MISTAKE OF NURSE

DENVER, April 22.—Through the mis-take of a nurse who administered a large dose of oxalic acid in place of a dose of epsom saits, Mrs. Myron E. Tubbs of Junction City, Kan., died a violent death at Mercy hospital today, Mrs. Tubbs was the wife of a Union Pacific conductor.

One More Trust Nailed

Feared Halley's Comet.

HALLEY'S COMET RISES AT 3:09 A. M. ON SUNDAY

In The Sunday Tribune two more chapters of this intensely interesting story, "The Mormon Girl," will appear. The first two chapters were printed last Sunday. The story deals with Utah, and deals with facts. The chapters which will be printed tomorrow will detail the bishop's courtship, his proposal of marriage to "The Mormon Girl" to become his plural, and how he was checkmated.

"AUNTIE."

A most absorbing story of a lover's plea for a human heart is one written by John Steen Tiffin. The title of the story, "Auntic," will be recognized in many places in Utah, for the story, like "The Mormon Girl," deals with Utah. "Auntie" will be printed in The Sunday Tribune, and is complete in the one issue.

"THE LITTLE WHITE MOTHER."

TOM KING'S VICTORY.

GREATEST PUGILIST OF ALL TIME. In The Sunday Tribune James J. Corbett will tell, in the second of the greatest series of sporting articles ever written, about James J. Jeffries, who the former champion considers the greatest puglist of all time.

In addition to the features named The Sunday Tribune will contain a number of others. The world will be covered in its news service. The Sunday Tribune is the most complete newspaper printed in the west and as good as any in the entire country. You would better order today. Call either phone.

THE MORMON

tee Grows Weary.

WASHINGTON, April 22,-After at tacking certain statements in Attorney General Wickersham's summary of the Glavis case during cross-examination of a witness before the Ballinger-Pinchot investigation today, Attorney Brandeis, counsel for L. R. Glavis, threw out a broad suggestion that the document had been demanded months earlier than it had been prepared, to make it appear President Taft's letter of vindication of Secretary Ballinger had been based upon alleged facts it contained.

At the White House and the department of justice it was stated neither the president nor the attorney-general would comment on Mr. Brandeis's inti-Comparatively little progress

made with the inquiry today, despite the apparently growing impatience of the committee to bring the hearing to a close. The committee probably will decide tomorrow whether to hold hearings three days each week. E. C. Finney, assistant to the secretary of the interior, was under cross-

Apparently Seeks To Involve THE PRESIDENT The Property of American Transfer And Transfer And Transfer Attended to Dr. Twoman, in speaking of the city Toach Transfer And Transf of the accident the railroad track is lost to view, owing to a curve.

Horse Frightened.

Just after Dr. Milleron had reached the narrow portion of the roadway Cross-examination of Miss Pearl Keller, Colonel Swope's nurse, was resumed in the criminal court by Attorney Frank P. Walsh today. Mr. Walsh indicated before the opening of court that his interrogation would be somewhat extended. During the entire afternoon session yesterday Mr. Walsh questioned Miss Keller. The examination of the witness is necessarily long, as she has testified at four different hearings. She has been before the grand Jury, the notarial court, which investigated in behalf of Dr. Hyde's libel suit, the coroner's jury and the criminal court.

Wife Will Take Stand.

Miss Keller is recognized as the state's premier witness in the hearing. Mrs premier witness in the hearing. Mrs giver to where the buggy was wirecked. Miss Milleron received injuries about the head and face and Enjuries about the head

gineer Crowley, after running down the canyon to a safe distance from the the whole fight centers down to a between the two women.

Hyde is well versed in every angle the hydrogram of the young women and took her on the the young women and took her on the

engine to the Sugar House drug store, Engineer Crowley, when asked re-garding the accident, said: "I was running ahead of local freight extra No. 597 and as we roundso that she is at the clow of her husband's counsel.

Little headway was made by Mr. Walsh yesterday when he attempted to entengle Miss Keller. The witness admitted on the stand that she had made a voung woman in a buggy. The horse seemed to be unmanageable and was backing the buggy down the canyon. I the case would be as soon as the investigation began. She retired to her room and wrote a history of the case for her own reference before she ever gave a word of testimony at any place, she said. Asked if Colonel Swope took the stryed. Asked if Colonel Swope took the stryed in the thought that the buggy was backing up the hill-nime tonic three times a day, Miss Keller said she never testified that he did. Mr. Walsh then read from the deposition of the nurse. Mr. from the buggy it overturned and the man was thrown out with the young woman on top of him.

Hear Fatal Report.

"We heard the report of the gun and when at a safe distance down the canyon I sent the fireman back to flag the freight and get the young woman, who was injured. We placed her on board the engine and brought her to a drug store at Sugar House. The buggy drug store at Sugar House. The buggy was some distance from the railroad tracks when it was overturned."

tracks when it was overturned."

The charge of one barrel of the gun entered the doctor's abdomen and the charge of the second barrel almost tore off his left arm. As soon as Miss Mileron reached the drug store she telephoned Mrs. Jenkins, her sister in-law, that her father had been injured by being shot while in the eanyon and asked that he be sent aid immediately. Dr. A. Kerr was summoned and left immediately for the scene of the accident.

This is one of Detective Connor's heart adventures, a series of stories which are running in The Sunday one. "The Little White Mother" is as interesting as have been the stories in the series which have HOUSE COMMITTEE ON RULES. In The Sunday Tribune John Elfreth Watkins will tell about the new board of directors of the house of representatives. A glimpse of the ten lawyers constituting the enlarged committee on rules created by

In The Sunday Tribune another story of the history of the prize ring, one of a series, will appear. This one will tell how Tom King wrested victory from defeat by a single blow, and how he turned the tables on his old rival, Jem Mace, when all but beaten to a standstill, and won back the title.
